Sir:

This Petition is submitted under the provisions of 37 C.F.R. §1.48 to provide a statement of facts by the original inventors and the erroneously omitted inventor in the above-referenced U.S. Patent Application, as evidence that the incorrect identification of inventorship in the Declaration and Power of Attorney for such application as originally

filed in the United States Patent and Trademark Office on April 26, 2004, was the result of an inadvertent error on the part of Applicants to correctly identify Michael B. Korzenski, Thomas H. Baum, Chongying Xu, Eliodor G. Ghenciu as inventors in the above-referenced application and that such incorrect identification arose without any deceptive intention.

By an Amendment under 37 C.F.R. §1.48 submitted concurrently herewith (the "Inventorship Amendment"), Chongying Xu is added as a named inventor in the above-referenced U.S. Patent Application.

The oath or declaration as required by 37 C.F.R. § 1.63 is concurrently submitted herewith ("Declaration and Power of Attorney for Patent Application").

The written consent of assignee as required by 37 C.F.R. § 1.48(a) is concurrently submitted herewith ("Consent of Assignee to Change of Inventorship").

Please charge Deposit Account No. 50-0860 in the amount of \$130 as specified in 37 C.F.R. § 1.17(h) for this Petition under 37 C.F.R. § 1.48(a). Please charge any deficiency, and credit any excess payment, to Deposit Account No. 50-0860.

STATEMENT AND PETITION OF ORIGINALLY NAMED INVENTORS

I, Michael B. Korzenski, Thomas H. Baum and Eliodor G. Ghenciu as originally named inventors in this United States Patent Application 10/724,791 (the "Application"), hereby:

1. petition under the provisions of 37 C.F.R. § 1.48 for correction of the inventorship in this Application, consistent with the Inventorship Amendment under 37 C.F.R. §1.48 filed concurrently herewith, on the basis that an incorrect identification of inventorship in the Declaration and Power of Attorney as originally filed in the United States Patent and Trademark Office on April 26, 2004, in this application under Response to Notice to File Missing Parts was made in error and without any deceptive intention;
2. affirmatively state that the invention described and claimed in the Application at the time of its filing was the joint invention of Michael B. Korzenski, Thomas H. Baum, Eliodor G. Ghenciu and Chongying Xu;

3. state that the omission of Chongying Xu, as a named co-inventor in the above-referenced U.S. Patent Application at the time of its filing, was an error which occurred without any deceptive intention by us when the application was filed, including the Declaration and Power of Attorney for such application, executed by us on the following dates: Michael B. Korzenski, December 18, 2003; Thomas H. Baum, December 17, 2003 and Eliodor G. Ghenciu, April 16, 2004;
4. state that an Inventorship Amendment under 37 C.F.R. § 1.48 is concurrently submitted herewith, in which the inventorship stated and of record for the Application has been amended to add Chongying Xu as a co-inventor of the subject matter described and claimed in such application;
5. state that the inventorship as set forth in the originally filed Declaration and Power of Attorney for the Application, erroneously excluded Chongying Xu;
6. state that the error in the inventorship occurred as a result of the preparation of the Declaration and Power of Attorney for the Application in the name of Michael B. Korzenski, Thomas H. Baum, Eliodor G. Ghenciu and that upon review of the Applicant's file, it was determined that Chongying Xu should be added as a co-inventor, and in consequence of such determination, the Application has been amended to reflect Michael B. Korzenski, Thomas H. Baum, Eliodor G. Ghenciu and Chongying Xu as inventors in all instances;
7. state that such inadvertent error was discovered by ATMI's Legal Department and this Petition was thereupon prepared;
8. state that we have executed a declaration in satisfaction of the requirements of 37 C.F.R. § 1.63 as concurrently submitted herewith ("Declaration and Power of Attorney for Patent Application"); and
9. state that we have duly executed this Petition as an undersigned co-inventor for the above referenced U.S. Patent Application.

**STATEMENT AND PETITION OF ERRONEOUSLY NAMED
INVENTOR**

I, the undersigned individual, Chongying Xu, as the newly named and joined inventor for this United States Patent Application No.10/724,791 (the "Application") hereby:

1. affirm, adopt and corroborate the foregoing statement of facts by the originally named inventors of the above-referenced U.S. Patent Application;
2. join in this petition under the provisions of 37 C.F.R. § 1.48 for correction of the inventorship for the Application, consistent with the Amendment under 37 C.F.R. §1.48 filed concurrently herewith (the "Inventorship Amendment"), on the basis that the incorrect identification of inventorship in the Application Declaration and Power of Attorney for such application as originally filed in the United States Patent and Trademark Office on April 26, 2004, was made in error and without deceptive intention.
3. state that I have duly executed this Petition as an inventor of the invention described and claimed in the Application.
